NATIONAL CONFERENCE on ADVANCES IN CIVIL ENGINEERING FOR SUSTAINABLE ENVIRONMENT (NCACSE' 20)

27th March, 2020

Organized by
DEPARTMENT OF CIVIL ENGINEERING

EASWARI ENGINEERING COLLEGE
(AUTONOMOUS)

(A Unit of SRM Group of Educational Institutions)
Bharathi Salai, Ramapuram, Chennai-600 089.
Approved by AICTE | Affiliated to Anna University, Chennai |
NAAC - Accredited 'A' Grade | 2(f) & 12(B) Status (UGC) |
ISO 9001 : 2015 Certified | NBA Accredited programmes |
FIST Funded (DST) | SIRO (DSIR)

ABOUT THE COLLEGE

Easwari Engineering College,(Autonomous) a unit of SRM Group of Educational Institutions for higher learning is functioning under "Valliammai Society". The society was founded in the year 1975, for promoting the cause of Quality Education, by Thiru T.R.Paarivendhar, an Academician and Educationist. EEC was established in the academic year 1996. The college is affiliated to Anna University Chennai, since 2002, approved by AICTE, New Delhi.

The college offers eight Under Graduate and six Post Graduate Programs covering Engineering & Technology and Management. Most of the courses are accredited by NBA. The college has a strong Industry Interaction with reputed National and International organizations. The College has obtained ISO 9001:2015 Certification from TUV South Asia. The College is Accredited with 'A' Grade by NAAC. The College has been Ranked as 200th position by NIRF-INDIA in 2019.

ABOUT THE DEPARTMENT

The Department of Civil Engineering was established in the year 2007 – 2008. Since inception, the Department of Civil Engineering has been imparting knowledge in 'General Engineering Concepts' and 'Studies' in 'Civil Engineering'. With the concurrent acquisition of technical skills in labs, inspiration and awakening of the young minds by vibrant teachers, the students are engaged intellectually, in the college. These critical contributions lead the students to explore and discover the wonders of their minds, which in turn synergize together and enable the students transform themselves to become true engineers and technologists. With character, dedication, brilliance, effectiveness and enthusiasm, they become capable and also analytical in their approach and transform themselves as Engineering Professionals of the future, with ethics.

ABOUT THE CONFERENCE

The 6th National Conference NCACSE'20 aims to bring together leading academic scientists, researchers and research scholars to exchange and share their experience and research result on all aspects of Sustainable Environment and Civil Engineering. It also provides a premier interdisciplinary platform for researchers, practitioners and educators to present and discuss the most recent trends and concerns as well as practical challenges encounter and solutions adopted in the fields of Civil Engineering for Sustainable Environment. The main scope of the conference is to propose an exchange medium for different approaches which can contribute to the sustainability of the Civil Engineering sector like investigations on sustainable materials and structures, intelligent principle in green building design, Sustainable solution in transportation and urban planning.

THEME OF THE CONFERENCE

Themes for the conference include, but not limited to the following:

- ❖ Advance Structural Engineering
- ❖ Modern Construction Materials
- ❖ Construction Engineering Management
- ❖ Environmental Engineering Management
- ❖ Water Resource Engineering
- ❖ Structural Health Monitoring & NDT
- ❖ Transportation Engineering
- ❖ Geotechnical Engineering
- ❖ Renewable Energy
- ❖ Environmental Management Systems

IMPORTANT DATES

Last date for submission for abstract : 20.02.2020
Intimation of selected papers : 24.02.2020
Last date for full paper submission
